aromatherapy spa

A Aromaterapia é uma terapia de tradição milenar à base de óleos essenciais, capazes de despertar as nossas energias naturais.

The Aromatherapy is a therapeutic use of millenarian tradition using essential oils, that are able to wake up our natural energies.

As nossas essências com aromas enebriantes, actuam como as feromonas, já que ao serem inaladas, influenciam o estado físico e emocional, activam os nossos sentimentos e conseguem que o prazer nos envolva aos poucos.

Our essences with enrapturing scents, act like the hormones, cause to the being inhaled, influence in the physical and emotional state, activate our feelings through the nervous system and get that the pleasure surrounds us little by little.
